BETWEEN MOVING TRAINS

Maysville Boy Has Miraculous Escape From Death Yesterday

Yesterday morning an eight-year-old son of Elias Gill, who resides in the far East end of the Sixth Ward, was trudging his way in a path between the North and South tracks of the C. and O. railroad, and when near the Sixth Ward Schoolhouse he was overtaken by two trains traveling in opposite directions—an East bound freight and a West going passenger train.

The suction caused by the rapidly moving trains threw the little fellow off his feet and rolled him along the ground. The Engineer in the cab of the passenger train saw the child drop and took it for granted that he had been hit by one or the other of the trains. He immediately came to a stop and ran his train back to find the boy all right with the exception of slight bruises, and naturally nearly frightened to death by his mishap and peculiar experience.

Have you ever noticed the terrible suction that follows in the wake of one of the C. and O.'s fast flyers?

BISHOP POTTER declared in his sermon Sunday that we will have war until the end of time, and that The Hague Conference is only part of a beautiful dream.

THE machine papers think they can divert attention from the theft of the Senatorial nomination from Hon. JAMES B. McCREARY by booming the Madison statesman for the Vice-Presidency.—Mt. Sterling Sentinel-Democrat.

WILLIAM JENNINGS BRYAN is to give another dollar dinner, the next one on October 7th, at which time he will launch his third Presidential Boom. His first Presidential boom was inaugurated with a free lunch a la Coxeyarmy.

OWEN TYLER, the claimed-to-be Democratic machine candidate for Mayor of Louisville, is out in a card saying he wants the "lid lifted" and advocates the repeal of the Sunday closing law. Now, what do you say on the temperance question, and he is a Democrat in a lid-tight city?—Carlisle Advocate.

WU TING FANG, the new Minister from China to the United States, hasn't any "ways that are dark and tricks that are vain" about him. He is so blunt, outspoken and American in his actions that he keeps two hemispheres on the *qui vive* as to what he will do next. He will soon return to Washington, where he was once the most attractive personality among the members of the foreign legations.

A New York physician reasons it out that recent statistics relating to school children of the country would indicate that 1,440,000 suffer from malnutrition; 5,615,000 from enlarged glands, and 5,925,000 from defective breathing.

We wish our esteemed Democratic neighbor and contemporary, The Kentucky State Journal, would kindly explain the status of that alleged (now missing) ballot-book said to contain several hundred "phony" names voted at Bailey's Mill, Franklin county, for the Hon. JOHN CREPPS WICKLIFFE BECKHAM, Governor of Kentucky. What about it, Br'er WALTON? We've often heard about sermons in stones and poems in running brooks, but we never heard of ballots and votes being cast by trees, stumps, windows, etc., etc.

ANOTHER tradition has been shattered. Marse HENRY now declares he has been very much misrepresented and maligned. Recently the great Editor told a party of friends—

"I have the reputation the world over as being probably the champion mint julep drinker of Kentucky. Thousands of cartoons have been published of me making mint juleps or drinking them. My country place at Jeffersontown has frequently been pictured in Eastern papers as a mint bed, and I have been shown standing knee-deep in mint, or with my head just protruding from the leaves of mint, but at no time in my life have I ever tasted a mint julep. So far as I know there is not a sprig of mint on my farm, and I do not know that I would know it if I were to see it unless I could detect it by the odor."

A BARGAIN.

The Circle.

He—Miss Hunt, I love you, but now I dare not dream of calling you mine. Yesterday I was worth \$10,000, but today, by a turn of Fortune's wheel, I have but a few paltry hundreds to call my own. I would not ask you to accept me in my reduced state. Farewell forever.

She (eagerly)—Good gracious! Reduced from \$10,000 to \$100! What a bargain! Of course, I'll take you. You might have known I couldn't resist.

At the monthly meeting of the Board of Education Monday night, the curriculum of the High School was changed to meet the college requirements.

THE SITUATION

In Kentucky—Views of What The Political Harvest Will be November 5th

Louisville Letter in Cincinnati Enquirer.

A close and shrewd observer of political conditions has given a view of the situation in Kentucky, which may or may not be correct, but which is thoroughly plausible. He argues that the state is close normally, that the Democrats have unquestionably alienated votes by their position on the temperance question in the state. Therefore, he gives it as his opinion that in order for the Democrats to win it will be necessary for them to get the vote of the Prohibition, Republican, or Republican who have very pronounced views on the temperance and local opinion issues. Therefore, he figures that the whole contest hinges on the temperance issue.

Colonel Albert Scott, the Chairman of the Republican State Campaign Committee, was asked as to his view of the theory. He replied that he did not believe that the Democratic state ticket would get the vote of a single Republican, Prohibitionist or a single Republican who favored local option legislation. He contends that the Republican position on the temperance question is satisfactory to all Republicans, while the Democratic position is not satisfactory to all Democrats.

He asserted, furthermore, there was a declaration in reference to the temperance question in the Republican platform and there was no declaration on the question in the Democratic platform, as announced by Judge Hager in his opening speech at Lexington.

TUMORS CONQUERED

Overwhelming Proof that Lydia E. Pinkham's Vegetable Compound Succeeds.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy Tumor.

The growth of a tumor is so insidious that frequently its presence is wholly unsuspected until it is well advanced.

So called "wandering pains" may come from its early stages or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain, from the abdomen through the groin and thigh.

If you have mysterious pains, if there are indications of inflammation or displacements, secure a bottle of Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, right away and begin its use.

The following letters should convince every suffering woman of its virtue, and that it actually does conquer tumors.

Mrs. May Fry, of 836 W. Colfax Ave., South Bend, Ind., writes:

Dear Mrs. Pinkham:—
"I take great pleasure in writing to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I also took the Blood Purifier in alternate doses with the Compound. Your medicine removed a cyst tumor of four years' growth, which three of the best physicians declared I had. They had said that only an operation could help me. I am very thankful that I followed a friend's advice and took your medicine. It has made me a strong and well woman and I shall recommend it as long as I live."

Mrs. E. F. Hayes, of 26 Ruggles St., Boston, Mass., writes:

Dear Mrs. Pinkham:—
"I have been under different doctors' treatment for a long time without relief. They told me I had a fibroid tumor, my abdomen was swollen and I suffered with great pain. I wrote to you for advice, you replied and I followed your directions carefully and today I am a well woman. Lydia E. Pinkham's Vegetable Compound expelled the tumor and strengthened my whole system."

Mrs. Perry Byers, of Mt. Pleasant, Iowa, writes:

Dear Mrs. Pinkham:—
"I was told by my physician that I had a fibroid tumor and that I would have to be operated upon. I wrote to you for advice, which I followed carefully and took Lydia E. Pinkham's Vegetable Compound. I am not only cured of the tumor but other female troubles and can do all my own work after eight years of suffering."

Mrs. S. J. Barber, of Scott, N. Y., writes:

Dear Mrs. Pinkham:—
"Sometime ago I wrote you for advice about a tumor which the doctors thought would have to be removed. Instead I took Lydia E. Pinkham's Vegetable Compound and to-day am a well woman."

Mrs. M. M. Funk, Vandergrift, Pa., writes:

Dear Mrs. Pinkham:—
"I had a tumor and Lydia E. Pinkham's Vegetable Compound removed it for me after two doctors had given me up. I was sick four years before I began to take the Compound. I now recommend Lydia E. Pinkham's Vegetable Compound far and near."

Such testimony as above is convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for Tumor Growths as well as other distressing ills of women, and such symptoms as Bearing-down Sensations, Displacements, Irregularities and Backache, etc. Women should remember that it is Lydia E. Pinkham's Vegetable Compound that is curing so many women. Don't forget to insist upon it when some druggist asks you to accept something else which he calls "just as good."

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham in advising. Thus she is especially well qualified to guide sick women back to health.

Mrs. Martha Vimont and grandson, Louis Vimont, Jr. of Millersburg are visiting her daughter, Mrs. W. A. Munzing.

Miss Anna Cook of Fernleaf, left yesterday for Cincinnati, where she will enter the College of Music for the purpose of completing her musical education.

Mrs. John Heiser, a former well known citizen, is spending a week with her cousins, Misses Brenner of West Front street, before removing from Cincinnati to take up her permanent residence in Denver, Col.

Miss Kittie Donovan of Chicago is the guest of Mrs. P. H. King of East Fourth street.

The sale of seats for the Eagles' presentation of the funny burlesque, "Romeo and Juliet" will open tomorrow morning at Williams' drug-store, and they will go like hot cakes, as an immense number of tickets have been sold. Nothing better in the way of a local show has ever been attempted here and the house will be packed to the doors Friday night. Many people will be here from Cincinnati, Newport, Covington and other outside towns.

The gage marks 7.3 and falling.

A small run of coal was made out of the Kanawha on a slight rise.

Houseboats will soon be hunting winter quarters in Southern waters.

The packet Kanawha is again in service between Parkersburg and Charleston.

The river continues so low at Pittsburgh that the packets are unable to do any business.

The towboat Charles B. Pearce is below Memphis taking French's Floating Palace to South-east points.

The Kate Adams, after touring the Boston Bloomer Girls' Baseball Club, is preparing to go into winter quarters at Paducah.

A tiny worm is imperiling river craft in the low water period at Pittsburgh. It eats the oakum from the seams, and the boats are kept afloat only by pumping.

Captain M. O. Schriver has purchased the towboat J. C. Love, and Captain W. W. Agnew has taken charge of the Greene Line's steamer Courier in the Maysville trade.

Low water in the pools near Pittsburgh is causing damage to towboats because of the great amount of acid in it. The danger of explosion is also greatly increased.

WANTED

Every Man, Woman and Child in Maysville

to call at our store for the greatest strength creator and health restorer which we have ever sold—Vinol. It is not a patent medicine, but the most valuable cod liver preparation made by an extractive and concentrating process from fresh cod livers without a drop of oil to nauseate and upset the stomach and retard its work, and tonic iron which is a needful constituent for the blood added.

We do not believe there is a person in this vicinity who cannot be benefited by Vinol at this season of the year. Vinol is delicious to the taste, and it is recognized as the greatest strength creator for old people, weak, sickly women and children, nursing mothers, and after a severe sickness.

Vinol is unequalled for hacking coughs, chronic colds, bronchitis and all throat and lung troubles. Creates an appetite and makes those who are too thin, fat, rosy and healthy.

We have had so much experience with Vinol and seen so many wonderful results from its use that we offer to return money without question if it does not accomplish all we claim for it. J. C. Pecor, Druggist, Maysville, Ky.

It is purely a plot sprung for ante-election political purposes by the Democrats and will come out in the wash.

Liver Pills

Ask your doctor if he knows a better pill for a sluggish liver than Ayer's Pills. Then follow his advice.

It is impossible, simply impossible, for any one to enjoy the best of health if the bowels are constipated. Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Pears' Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

Ever have itching piles?
Not sick enough to go to bed; not well enough to be content.

The constant itching sensation.
Spells your temper, nearly drives you crazy.
You can have relief and cure if you will follow the advice of a local citizen.

Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March, 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment cured me, as stated in a testimonial given at that time. During the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes and find that it is a specific for skin troubles and all itching diseases."

REDUCTION IN FARES

Soon to Go Into Effect and Will Be Universal, It's Reported.

World-wide will be the reductions in passenger fares, which the Central Passenger association will put into effect next month, according to an announcement made in Portsmouth Monday. The new tariffs will be based on the two-cent fare laws enacted during the past two years in Ohio, Indiana, Illinois, Nebraska, Wisconsin, Michigan, Minnesota and Pennsylvania.

The reduction is world-wide, because ocean fares are based on the railroad fare to coast towns. Fares to Canada, Mexico, South America and to points in Europe will be lower on account of the new rates.

All of the Central Passenger Association Lines have agreed to put their fares into effect at the same time and the effect will be revolutionizing.

BEER WITH MEALS

Does Not Require a Boarding-house Keeper to Take Out a License

At Terre Haute, Ind., August 1st, 1906, was acquitted of selling liquor without license, because he proved that he agreed to give his boarders all the beer they wanted at their meals.

He is an Italian and his boarders are Italians who are used to wine at meals, but wine being too costly in this country, Valle substituted beer.

The Court held that this manner of selling beer was not in violation of the law.

Rings Round Eyes

J-19

The ill's peculiar to women, take different forms. Some ladies suffer, every month, from dark rings round their eyes, blotches on their skin and tired feeling. Others suffer agonies of pain, that words can hardly express. Whatever the symptoms, remember there is one medicine that will go beyond mere symptoms, and act on the cause of their troubles, the weakened womanly organs.

Wine of Cardui

Mrs. M. C. Austin, of Memphis, Tenn., writes: "For five (5) years I suffered with every symptom of female disease, but after using the well-known Cardui Home Treatment, I was entirely well."
